

Students visited an E-sport organizer at TenCent Thailand (Co., Ltd.)

On 19 February 2020, students in the Digital Entrepreneurship Management program visited an E-sport organizer, TenCent Thailand (Co., Ltd.), at the Head office, T-One Building, Bangkok. This field trip allowed students to learn from professionals to take part in online gaming and E-sports businesses in the future.

Students who joined this event had learned about working systems in the online gaming and E-sports businesses including game creation process, game market, online marketing, etc. This activity is a part of the Introduction to E-Sport and E-Sport Training subject.
